

All We Hide

BAND STORY

"

* All We Hide is an up and coming band. We are in hot pursuit of a bass player to finish the band. We are moving without

one right now. We have hit the studio and we are playing shows. Still need that centerpiece.

* We are a few guys with roots from all o'er. Pepper brings his drum style from the West Coast hailing from Northern California. Big D is from Nashville, born and raised. And Vallis is from Atlanta. Similar taste in music all around and different styles of playing. It ties in really nicely and comes to be some of the best experiences hands down.

And once we get a bass player, we will write a lot more.
