Andy Harris (Guitar & Vocals):

Andy Harris has been singing songs & playing guitar or bass-guitar in nightclubs and venues all over the USA since 1974... He is a songwriter and on-stage performer who has worked with many bands including: Tryax, The Ray Coble Band, Sagebrush, The Blue Collar Band, The Pena Brothers, Snafu, Flashback & DP31 in California. Andy went on to start his own recording studio MM Recording Studios in Moline, Illinois. He has been busy producing and recording local & regional acts in Illinois & in California as well as releasing several of his CDs to College Radio Stations, getting airplay throughout the Midwest & the Southwest.

SKYNYRD

Well, I completed the new CD www.CDBaby.com/andyharris2 and it has a SKYNYRD / Mellencamp flavor to it with a dash of Allman Brothers sounds too. Great guitar work. Some nice vocals & lyrics are good too. Well, that's me in a nut shell. But, if I said it sounds like me then you'd have no real reference to go by. A Skynyrd/Mellenhead/Allman sounding Disc, and we'll be doing the SKYNYRD TRIBUTE SHOW Again... I'll be taking the band out for the Spring / Summer / Fall Festivals & Events Gigs this year in the Midwest (Illinois / Iowa / Wisconsin / Indiana / Missouri / Nebraska / Michigan, etc. and maybe some more California shows again.) We're looking for a New Piano Player. If ya play Keys, give me a call, 309-235-5962.... - ANDY -

It's All About The Music...

I've written over 200 songs and I'm still writing more. Just wrote another one last week. Love to play bass and sing. Better yet, I love it when I'm in a band with at least two or three other singers. Harmony is the best!

If you need a Great Bass-Player that's Road Ready (with my RV), has PA, Recording Gear and full stage gear & Guitars, then call me at 309-235-5962, or e-mail me at andyharris@qconline.com. My current band is at www.thenuthinfancyband.com.
