BAND STORY

"

This journey started mostly in my hometown of Baltimore MD; 15 years in LA; a stop in Kansas City with the wonderful Lawrence Wright; 8 years in Springfield and the beautiful Missouri Ozarks with the late great Don Shipp's "Titanic Blues Band", "The Pawn Shop" and others including ToST, my vehicle to play a variety of American Roots music with a spirit and wreck-less abandon that attracted me to Blues, Rockabilly, Funk, and Rock and Roll. Electric or acoustic, I intend each show to be a concert with long sets, unique covers, interesting originals, inspired musicianship and a commitment to entertain.....

Clay Goldstein.

LATEST NEWS

Welcome to Florida

After leaving Baltimore MD and spending 15 years in Los Angeles and 8 years in the Missouri Ozarks my lady Cindy and I have landed in Lake Worth Florida.

I play Harmonica, add vocals, write songs, and love the stage. If I can contribute to any projects in the area, I have a car and will travel.
