MACARLDIE NIBBS BIO

Deep from the caribbean island of Tortola comes MACARLDIE NIBBS "Gifted Musician, Showman, and Tai Chi Master." If you've ever seen Macarldie's live show you've experienced his infectious positivity and playfulness."

His performance includes a 85 gallon steel drum, guitars and his notorious keyboards. Beautiful vocals of conscious lyrics delivered with energy and spirit make his show a blessing to attend.

As a child in the Virgin Island, Macarldie performed religious music with his father and sisters. His teenage years found him in nightclubs and hotels performing the island standards and top 40 hits of the Caribbean and America. After moving to the States, he studied Jazz piano at Florida Atlantic University and began performing all over Florida and Islands. Over the years, Macarldie has put together numerous bands of talented Funk Blues, Jazz, Calypso, Soca and Reggae musicians.

"He has metamorphasized the souls of the islands into a universal vibe of happiness through music."

"I felt like I was back in the islands!"
