

Phil Flow

BAND STORY

"

Growing up in the St. Louis area, Phil Flow developed a passion for music at a very young age. Pursuing a career in music in 2003 with local friends, he learned about the industry, the studio and live performances. Unable to connect with group members and the label he was with he decided to pursue his music career solo in 2008. Ten years later he has risen back to the lime light with his very own company " 83 Beats ". Now dropping his debut single July 27th 2018 he hopes to please his awaiting fans with new music and hopes to make an appearance in a city near you!

Workin' Hard Promotin' My Music

After being apart of a rap group for a little over 7 years, in 8

After being apart of a rap group for a little over 7 years, in & around the St.Louis area.. I (Phil Flow) am now recreating the sound that people where once used too. Because for the first time in my career I am now a SOLO ARTIST! After freeing myself of recording contract with local record lable of 6 years, I had no where to record and continue on with my career. So i got lucky, landed a job, worked hard for 2 years and with the help of my father, built the back bone of my business/ recording studio that I now call..

" 83 Beats "

I plan on bringing a warm and welcoming sound on my R&B tracks, sweat from my club bangers and Hip Hop songs, and I plan to capture the listeners minds with my smooth and calm flow when..

" I Rap"

So ADD ME UP IF YOU LIKE WHAT YOU HEAR and/or SEND ME A MESSEGE IF YOU WOULD LIKE TO DO BUSINESS!!

Keep in touch, more music & pictures coming soon. Thanks for dropping by & God Bless.
